

Plan for Assuring the Health and Safety of the Institution's Employees, Students & Guests

Overview

The Praxis Institute (TPI) is committed to ensuring students are learning in a safe, clean, and orderly environment for the health and safety of students, staff, and guests. To fulfill the goal of a safe and healthy environment on a daily basis, TPI have in place policies, processes, and procedures relating to the health and safety of students, faculty, and guests (Safety Manual). The institution's health and safety policies and procedures (Safety Manual) are annually evaluated and revised based on input provided by advisory board, students, and staff.

Reporting Health & Safety Issues

A system for reporting and investigating accidents is followed by all staff and is led by Campuses Directors. TPI has in place standard procedures to reduce injury and promote safety. Both staff and students must:

- Observe all safety rules
- Familiarize themselves with the institution's incident plans/procedures and emergency preparedness protocols
- Keep work areas clean and orderly at all times
- For students, immediately report all accidents to the instructor or administrator.
- For staff, immediately report all accidents to supervisor or administrator.

Harassment/Bullying

TPI is committed to ensuring students and staff enjoys an educational setting that is safe, secure, and free from harassment and bullying of any kind. The institution does not tolerate bullying and harassment of any type. Conduct that constitutes bullying and harassment is prohibited.

Accident Reporting

TPI follows its established policies and procedures regarding the reporting of accidents to employees, students, or the public.
